KEY PERSONNEL: LIZ WEBER, CMC, MANAGING PRINCIPAL AND FOUNDER

Liz Weber founded Weber Business Services, LLC in 1992. She attended the University of Wisconsin where she earned her BBA in International Business and The George Washington University where she earned her MBA in International Business. Liz is a Certified Management Consultant (the highest designation for a consultant) and has worked with organizations in over 20 countries. As a testament to her success in facilitating focused strategic planning and training sessions, company presidents, CEOs, and senior government officials personally ask Liz to work with their organizations. Liz is also considered a "Master Trainer" and a recognized author and columnist. Other specialized consultants and staff are engaged as-needed.
