

INTRODUCTION FOR LIZ WEBER –

Here Today – There Tomorrow!
*(Please read as written - and try not to
sound like a robot! Thanks!!)*

Before I introduce our speaker, let me ask you:

- Are your customers' needs changing faster than ever before?
- Are your organization's products and services easily mimicked by the competition?
- Are members of your leadership team concerned about your organization's viability?

Would you like to learn what YOU can do to help your leadership team stop playing catch-up just to keep up?

If you answered yes to just ONE of those questions, *this presentation is for you!*

Our speaker is one of fewer than 100 people to hold both Certified Management Consultant (CMC) and Certified Speaking Professional (CSP) designations - AND - she has authored nine leadership books.

When not working, she can be found spending time with her husband taking care of rescued animals and planning their next trip to Margaritaville - I mean - Mexico!!

*Helping us learn to move from **Here Today to There Tomorrow!** is speaker, author, and Margarita-lover - Liz Weber!!*
