

***INTRODUCTION FOR LIZ
WEBER – Guide Real Change
with SMART Strategic
Planning!***
***(Please read as written - and try not to
sound like a robot! Thanks!!)***

Before I introduce our speaker, let me ask you:

Have you and your team spent thousands of dollars and numerous hours creating a strategic plan, yet...

- NO ONE IS INSPIRED
- NO ONE SEEMS TO CARE
- NO ONE KNOWS WHAT TO DO?!

If you answered yes to just ONE of those questions, *this presentation is for you!*

Our speaker is one of fewer than 100 people to hold both Certified Management Consultant (CMC) and Certified Speaking Professional (CSP) designations - AND - she has authored nine leadership books.

As a leadership consultant, coach and trainer, Liz works with business owners, boards of directors, and leadership teams to enhance performance, change cultures, and develop leadership talent.

Helping us learn to **GUIDE REAL CHANGE WITH SMART STRATEGIC PLANNING!** is speaker, author, and consultant - Liz Weber!!
