

## **INTRODUCTION FOR LIZ WEBER – How Does HR Get a Respected Seat at the Strategic Planning Table**

***(Please read as written - and try  
not to sound like a robot! Thanks!!)***

Before I introduce our speaker, let me ask you a few questions:

- Are strategic and personnel decisions made without your input?
- Are you treated as an *adversary* instead of an *advisor*?
- Would you like to learn *how to gain and retain a respected seat* at the Strategic Planning Table?

If so, ***this presentation is for you!***

Our speaker, Liz Weber, is one of fewer than 100 people to hold both Certified Management Consultant (CMC) and Certified Speaking Professional (CSP) designations.

As a leadership consultant, coach and trainer, Liz works with HR professionals constantly. Because of that, she's seen what HR pros DO to gain respect AND what they *do to lose it*.

***Helping us learn how to Get a Respected Seat at the Strategic Planning Table is speaker, author, and leadership expert - Liz Weber!!***
