

INTRODUCTION FOR LIZ WEBER – Something's Going to Change Around Here!

***(Please read as written - and try not to sound
like a robot! Thanks!!)***

Before I introduce our speaker, let me ask you a few questions:

- *Are you tired of working 50, 60, 70 or more hours a week?*
- *Do you come in early and stay late, just to get YOUR work done?*
- *Are you frustrated by what your team members don't do or can't figure out for themselves?*

Would you like to learn why you're always playing catch-up just to keep-up?

If so, ***this presentation is for you!***

Our speaker is one of fewer than 100 people to hold both Certified Management Consultant (CMC) and Certified Speaking Professional (CSP) designations - AND - she has authored nine leadership books.

When not working, she can be found spending time with her husband taking care of rescued animals and planning their next trip to Margaritaville - I mean - Mexico!!

Helping us understand how **Something's Going to Change!** is speaker, author, and Margarita-lover - Liz Weber!!
