WHAT CLIENTS SAY...

A prospective client called me for a reference on Liz. They were a bit hesitant to sign with her because some of the management team was afraid Liz would challenge them. I told them she would, but perhaps that's why they needed her.

Kevin Steeley, President, DALB, Inc.

In the last eight months, we have doubled...Before we didn't have a map or a game plan...Now employees are no longer dependent upon me, the owner of the company. I can now see our future so clearly.

Jocelyn Melton, CEO, The Baxter Group

Our company is now focused. Every task we do is directed toward the vision. I had been managing my company, but now I'm leading it.
