Moving Beyond Motivational

VARIOUS WAYS LIZ CAN ELEVATE YOUR EVENT...

- Keynote Speaker
- Facilitated CEO or Team Member Conversations from the Stage
- Panel Facilitation and Moderation
- Deep-Dive Breakouts
- Post-Event VIP Q&A Sessions
- Retreat or Summit Facilitation

HOW LIZ WEBER IS DIFFERENT FROM OTHER LEADERSHIP SPEAKERS...

- Liz is NOT a motivational speaker. Her presentations are energizing because they are no fluff, interactive, informative, and actionable.
- Liz relishes real-time coaching and clients love the post-event VIP Q&A sessions so Liz can answer their targeted questions.
- Liz walks the talk. Because she's a strategic business advisor and executive coach, every topic she speaks on is something she has experienced and refined to help her clients succeed.

Thank you for 'WOWing' our associates with your keynote address at our Annual Associates Meeting. With your insights, data, and humor, you delivered exactly what we needed and then some. By leaving us with a challenge, we had a flurry of activity following your presentation. Associates really focused on the details and were amazed at how often they could 'WOW' a member!
